Moulding profile worksheet

Heritage & Decorative Timber Products | Enquiry preparation

Include a square-on end view with a ruler in the same plane.

Record the actual profile; do not scale a photograph.

This sheet records an enquiry, not an approved production drawing.

Face width (mm)

Maximum thickness (mm)

Front / back / orientation reference

Required lengths and quantities

Timber or finish, if known

Photograph / sample reference

Label photographs A, B, C to match this sheet. Do not include payment details.
