Internal fretwork opening schedule

Heritage & Decorative Timber Products | Enquiry preparation

Internal HFR / DFR preview patterns only. All opening sizes in millimetres.

Use a separate row for each pattern/size. Repeated identical openings use quantity.

Over 2500 mm: repeat and set-out need workshop review. Preview is not a cutting plan.

Ref.	Pattern	Width mm	Height mm	Qty	Notes

Label photographs A, B, C to match this sheet. Do not include payment details.
