Post matching worksheet

Heritage & Decorative Timber Products | Enquiry preparation

Measure the real original, not this drawing.

Show a sound neighbouring post and label missing details.

A builder must confirm structural needs. This sheet is not a cutting plan.

Overall length (mm)

Square section width x depth (mm)

Square top length (mm)

Shaped / turned zone length (mm)

Square base length (mm)

Quantity and photograph reference

Label photographs A, B, C to match this sheet. Do not include payment details.
